

Pacific Skyline Council

2017 National Jamboree Patch Design Contest

We are looking to the Scouts to design the patches for the 2017 National Jamboree. We are looking for up to 5 designs for the Council Shoulder Patch (CSP). There can also be a center patch in the shape of a pentagon.

Patch Template at bottom and back or available as PDF on website.

Contest Rules:

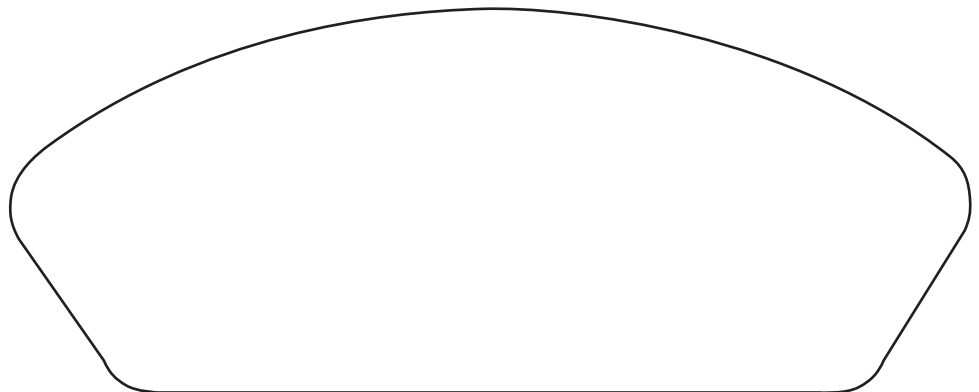

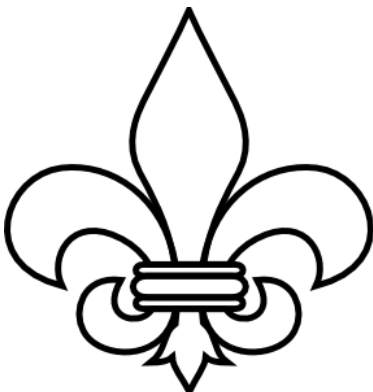

- Required on the Patches:
 1. Pacific Skyline Council
 2. Fleur-de-lis
 3. National Jamboree 2017.
- This contest is open exclusively to youth, Scout or Venture, **NO adult designs will be accepted.**
- No third party trademarks (including movie and comic book characters)
- Do not obscure or cover up the Fleur-de-lis
- Council Shoulder Patches cannot have the city and state on them.
- All entries to the contest need to be turned in to the Council Office or by emailing to Joe Carrasco (joecarrasco@gmail.com) & Andrew Gray (andrewgray@gray.net)

Be creative the more unique the patch the easier it will be to trade at the Jamboree.

The designs will be reviewed by a volunteer committee and they will select the winning design to be used as the 2017 National Jamboree Council patch. The prize to the winning design is a full set of patches!
